## **SPECIAL EDITION**

Our Golf Tournament held on June 3rd this year was one of the best attended tournaments that we have had in many years. Players enjoyed a day of great weather, almost perfect course conditions (thanks to Ron Nanfita clearing the low hanging branches the way he played), and top shelf food throughout the day and at the banquet.

Thanks to all the volunteers who helped with the check-in registration, manning the hole in one hole and the closest to the pin hole, placing and retrieving Tee Sponsor signs, and organizing and setting up the raffle prizes.

Thanks to everyone who obtained and/or donated raffle prizes this year. Your effort helped make that part of our tournament a success. The \$5300 Home Theater System helped to sell many tickets.

Last but not least, thanks to the Golf Committee for all their work with flyers, applications, letters, and arrangements with the golf course to make this a successful year.

The date is already set for next year so we can look forward to doing this all over again.
